

Safe for You, Your Home, and Your Planet®

Get Clean®

Health isn't just about what you put in your body—it's about everything around you. Get Clean offers powerful, natural, and nontoxic cleaning choices that are Safe for You, Your Home, and Your Planet®—because when it comes to keeping your house clean, the Earth safe, and your family healthier, you shouldn't have to choose.

Get Clean products offer cleaning choices that are:

- ✓ Nontoxic
- ✓ Phosphate free
- ✓ Hypoallergenic
- ✓ Nitrate free
- ✓ Free of harmful fumes
- ✓ Ammonia free
- ✓ Chlorine bleach free

We believe in a cleaner that doesn't leave behind more toxins than the toxins it's supposed to clean.

Safe

Your home should be the safest place in the whole world.

Do your cleaners contain butyl cellosolve™ or formaldehyde? These ingredients—and more—may be toxic, and not very clean at all. Get Clean has none of these things, so you can be sure your products take care of your family's safety as much as you do.

Powerful

Don't sacrifice powerful convictions for powerful cleaners.

You don't have to choose between cleaners that are tough on dirt but rough on the environment and "eco-friendly" cleaners that don't seem to work. Get Clean has substantial cleaning power that's gentle on the environment.

Green

Cleaning the house shouldn't involve dirtying the Earth.

Get Clean products use biodegradable, earth-friendly cleaning agents with no phosphates, nitrates, or other things the planet doesn't like. They're super-concentrated to reduce waste, meaning less weight to ship, less product to use, less packaging to throw away. You can clean the house and keep the planet clean too.

Smart

Save money while you go about saving the Earth.

For some common cleaners, a lot of what you're buying is water. We made our cleaner more economical by making it concentrated. Our smaller bottles contain a whole lot of clean, saving you money, ounce for ounce. They make a positive impact on your budget and on the planet. You have nothing to lose but dirt.

Get Clean Starter Kit

All you need to start cleaning your way to a healthier home.

Safe and powerful against even the most stubborn dirt. And super-concentrated for awesome value. You would have to spend \$3,400 for ready-to-use cleaners to get the same amount of clean found in the Get Clean Starter Kit.*

The Get Clean Starter Kit contains:

- Basic H²® Biodegradable Super Cleaning Concentrate, 16 oz. (1)
- Germ Off Disinfecting Wipes, 35 Wipes (1)
- Nature Bright® Laundry Booster and Stain Remover, 32 oz. (1)
- Hand Dish Wash Liquid Concentrate, 16 oz. (1)
- Dish Washer Automatic Powder Concentrate, 32 oz. (1)
- Fresh Laundry Concentrate HE Compatible, 32 oz. (liquid) (1)
- Soft Fabric Dryer Sheets, 80 sheets (1)
- Dish Washer Automatic Powder Concentrate Dispenser (empty) (1)
- Nature Bright® Dispenser (empty) (1)

Plus, all the accessories you need in a handy plastic caddy.

We believe there's a time and a place for sloppy messes. Exuberant, slobbery dog kisses, for example.

*Based on comparable number of uses from ready-to-use cleaners.

HOUSEHOLD

Basic H²® Biodegradable Super Cleaning Concentrate

Supersafe, powerful, all-purpose cleaning

Basic H² dominates grease, grime, and dirt in a thousand different ways. One 16-oz. bottle makes 48 gallons of powerful cleaner. That's equivalent to the same cleaning uses as 5,824 bottles of the 26-oz. size of Windex®.[†]

Basic H²® Biodegradable Super Cleaning Wipes*

Convenient, biodegradable[†] multitasker

The power of Basic H² in a convenient wipe that won't leave any residue as it wipes away dirt, grease, and grime. Contains 35 wipes.

Germ Off Disinfecting Wipes

The smart way to clean and disinfect

Kills 99.9% of common household bacteria Salmonella enterica and E. coli. Pre-moistened wipes clean and deodorize quickly and easily. Contains 35 wipes.

KITCHEN

Hand Dish Wash Liquid Concentrate

Mild on hands. Tough on grease.

It takes just a few drops to tackle a pile of greasy dishes and leave your dishes sparkling clean.

Dish Washer Automatic Powder Concentrate

Removes tough stains

Powerful concentrate lets you use just a little, leaving dishes and glasses sparkling clean. Cleans 48 loads.

Hand Wash Concentrate

Moisturizing wash

Super-mild, sudsy cleanser has wheat-germ oil to moisturize, soy protein to condition, aloe and linden flower extract to soothe.

When you use the Get Clean Starter Kit, you help keep 108 pounds of packaging waste from landfills and eliminate 248 pounds of greenhouse gas.**

LAUNDRY

Fresh Laundry Concentrate HE Compatible (liquid)

Powerful two-for-one laundry detergent and spot remover

Biodegradable enzyme formula helps clean and removes tough spots. Works in high-efficiency and standard washers. 32 ounces clean 32 loads.

Fresh Laundry Concentrate (powder)

Leaves clothes extra clean

Contains naturally derived stain removers along with a biodegradable enzyme to get your clothes really clean. A 5.5-pound box cleans 88 loads.

Nature Bright® Laundry Booster and Stain Remover

Brightens your whites and colors

Uses biodegradable enzymes and active oxygen to re-brighten laundry, de-stain upholstery, and more.

Soft Fabric Concentrate

Gets clothes supersoft

Clean-smelling, silky softener reduces wrinkles and removes static cling. 32 ounces soften 64 loads.

Soft Fabric Fragrance Free Dryer Sheets

Keep clothes smelling fresh

Biodegradable and vegetable-based dryer sheets. Just break in two in the dryer for even distribution of softener and greater reduction of static cling. Contains 80 sheets.
